

Dear Clinic Manager,

I am delighted to say that The Harley Medical Foot and Nail Laser Clinic has once again been awarded our **2017 Patient Service Award** for great customer service!

This year, we have included ratings data from reviews, along with all the other scores from the past year to help calculate your overall rating. (This daily score appears on your listing as 'ServiceScore').

Your clinic has ranked within the top 5% of clinics in your market.

That's a fantastic achievement!

Your new 2017 badge will appear on your listing this week. You can get your **Award Certificate and Winners Pack** straight away by going to www.whatclinicawards.com, or by clicking the button below.

Congratulations and well done!
